Please consult Phihong USA about quantities available from stock of to be discontinued models. Purchase order quantities for specific models from multiple customers can be combined in aggregate to meet the MOQ quantities of the specific models. Please consult with your Phihong representative.

Additionally, the RCM mark will be removed from the POE75U-1UP-R on all builds going forward.

Please do not hesitate to contact us should you have any questions.

Regards,

Thomas Chin
 Sr. Product Marketing Manager
 Phihong USA Corp.
