## NX-32T-BS Product Termination Notification

We are writing today to inform you that we will terminate production of the product indicated in the subject for the reasons described below.

Your understanding and cooperation are highly appreciated.

### **1. Discontinued product**

Product affected: NX-32T-BS            CL 234-0055-6-00  
This product is an I/O back plug-side bushing for PC cards.

### **2. Date of final reception of orders**

May 30, 2019

### **3. Reason for sales termination**

The PVC material used for this product is not compliant with the revised EU RoHS Directive 2. Since the market needs for I/O back connectors for PC cards are decreasing, we will terminate its sales without offering replacement products.

### **4. Request**

Please inform us about your last order by the date of final reception of orders noted above. We are sorry for any inconvenience.

### **5. Acceptance.**

We kindly request that you inform Hirose business representative of your acknowledgement by the aforesaid date.

In the absence of a response by this day, please be advised that notification that described above will be accepted.

If you have any questions, please feel free to contact our sales representative.  
Your understanding and cooperation are highly appreciated.
