PHASE-OUT NOTICE

Dear Channel Partners,

The purpose of this product notice is to inform you that Crouzet is placing the Light Sensor LDR 89 750 183 & CD Millenium 3 Alarm 88 970 116 in phase out.

The LDR is being phased-out due to a components' stop from our supplier and the CD was a software used with M3MOD 88 970 117, a product already phased-out in 2015.

We are currently looking for an external solution to redirect your customers for the LDR. Validation process is on-going, we will come back to you as soon as possible.

We appreciate your understanding and we will keep focusing on providing more enhanced and value-added products for you.

Do not hesitate if you have further questions.

Kind Regards,

P.O.
Strategy, Marketing, External communication Director
