

Universal Thin Client Monitor Mount

MODEL NUMBER: DMATC

Thin client mounting bracket secures your small desktop terminal to your monitor, freeing up desk, table and floor space.

Features

Ideal for Use at Home, School and the Office This thin client mount securely attaches to the back of your monitor, hiding your thin client out of the way and saving valuable desk, table and floor space. The adjustable frame fits most thin clients ranging from 0.76 to 2.8 inches wide and supports up to 11 lbs (4.9 kgs).

Convenient Open Frame Design Allows Easy Access The open frame allows you access to your thin client and its cabling for easy adjustments. Made from durable steel, the thin client mounting bracket features a scratch-resistant black powder-coated finish that blends with your décor and stands up to frequent handling.

Versatile Mounting Options Give You More Choices In addition to easy mounting to your monitor's 75 x 75 mm or 100 x 100 mm VESA plate, the thin client mount also attaches directly to a display mount pole, under a desk or on a wall. Mounting hardware and hook-and-loop straps for extra stability are included.

5-Year Warranty and Environmentally Responsible Design The DMATC comes with a 5-year warranty. It's manufactured in compliance with strict RoHS specifications, reflecting Tripp Lite's commitment to environmental responsibility.
