Subject: EOL Notice for ZOOM-G-UMTS

To Whom it may concern:

Siretta announces the end of life on the following product:

PART No.	Material Code
ZOOM-G-UMTS	33291

Last Time Buy Orders

Product is available for order until December 31st 2020 or until stocks last

Last Shipment Dates

Deliveries are to be made by March 31st 2021 or until stocks have been consumed if earlier.

Why is this “end of life” taking place?

Demand for this 3G product has significantly reduced, as users move to LTE technology, meaning that it is no longer viable to continue manufacturing this product.

Are there other models that I can use in place of the ZOOM-G-UMTS products?

Siretta has no direct replacement for this embedded modem product. However, there are two boxed GPS/GNSS modem products available for location tracking applications, ZETA-G-GPRS (2G) product, and the recently released ZETA-GEP-LTE4 (EU). Datasheets and User Manuals are attached.

Order Terms & Conditions

Any orders placed during this time will be non-cancellable and are unable to be rescheduled. If you have any questions regarding this announcement please contact your Siretta representative
